PROFESSIONAL SUMMARY

UI/UX Designer and Product Developer specializing in AI-native design systems, accessible interfaces, and responsive web applications. Shipped a Chrome extension to **800+ weekly active users** and built a **150+ member** campus developer community as Google Student Ambassador for Google for Developers. Brings full product ownership — Figma wireframes through TypeScript deployment — with hands-on expertise in agentic AI workflows and human-centric design.

SKILLS

Design & AI Tools: Figma, Adobe Photoshop, Adobe Illustrator, Adobe Lightroom, Adobe XD, Claude Design, Google Stitch, Midjourney, Canva, CapCut, Motion Graphics, Suno AI

UI/UX & Visual Design: Wireframing, Prototyping, User Flows, Responsive Design, Accessibility (WCAG), Design Systems, Brand Identity, Typography, Color Theory, Social Media Creatives, Print Design

Web Development: HTML5, CSS3, JavaScript (ES6+), React, Tailwind CSS, Progressive Web App (PWA), Firebase, Git

AI & Automation: Agentic Skills, Google Veo, Model Context Protocol (MCP), Agentic AI Workflows, Prompt Engineering

Developer Relation & Product: Community Management, Technical Writing, Workshop Facilitation, Product Lifecycle Management, Cross-functional Collaboration

WORK EXPERIENCE

Google Student Ambassador & Community Lead

Jul 2025 – Present

Google for Developers — Jaipur National University

Jaipur, India

- Organized **Pixels & Prompts 2025** — a campus AI developer workshop for **100+ participants** — sole owner of planning, speaker coordination, all event collateral, and on-day execution.
- Designed all event visuals, presentation decks, and workshop materials in Figma and Canva, maintaining strict adherence to Google brand guidelines across every touchpoint.
- Built and sustained a **150+ member** campus developer community with weekly AI content; coordinated directly with Google's DevRel team on program deliverables and outreach.

Experimental AI Creative Practice

June 2024 – Present

Aethcraft Studios — AI-Native Design & Prototyping Sandbox

Independent

- Self-initiated R&D sandbox exploring AI-assisted design workflows; designed visual assets, layout compositions, and rapid video walkthroughs using Canva, CapCut, Suno AI, Google Flow, Google Whisk, and Seedance.

PROJECTS

Chat Exporter: Save AI Chats to PDF, Markdown & JSON | [Extension](#) | [Chrome Web Store](#) | [Landing Page](#) 2026

- Designed and shipped a Chrome extension solving a real developer workflow gap — no native export in Google AI Studio; reached **800+ weekly active users** organically with zero paid promotion.
- Owned the complete product lifecycle: UI/UX design, TypeScript architecture, MV3 compliance, CWS listing, Vercel landing page, and Product Hunt launch.
- Published technical tutorial on Dev.to earning 500+ views within weeks; differentiated from all competing extensions via PDF export with full model metadata capture.

Playful | [Universal Web Media Player — Local, YouTube, Lo-fi, PWA](#) | [Live Demo](#) | [Product Hunt](#) 2025

- Designed a distraction-free, accessibility-first UI for a browser-based 3-in-1 media player supporting local video, YouTube, and 39+ lo-fi radio stations — no install required.
- Built complete design system — typography hierarchy, iconography, and responsive PWA layouts — shipped solo in TypeScript, Vite, and Firebase from concept through deployment.

Formee Forms | [AI-Powered Form Builder](#) | [Live Demo](#) 2025

- Designed end-to-end product UI for a drag-and-drop form builder with AI analytics — dashboard, data-visualization components, AI pie-charts, and conversion funnel interface.

EDUCATION

Bachelor of Computer Applications (Artificial Intelligence & Machine Learning)

Aug 2023 – Jun 2026

Jaipur National University, Jaipur, Rajasthan | **CGPA: 9.4 / 10**

HONORS AND CERTIFICATIONS

- Featured Creator, Google I/O 2026** — Selected as 1 of 10 creators globally by @GoogleAI for the I/O 2026 Countdown challenge; recognized for building a Generative Boids Murmuration. [Official Post](#) | [Live App](#)
- CS50's Web Programming with Python and JavaScript** — Harvard University [Certificate](#) | [Project Demos](#)
- Google AI Essentials (Specialization)** — Google via Coursera [Certificate](#)
